Re: Proposed annexation to the
City of La Verne, Annexation
No. 9

Dear Miss Hogan:

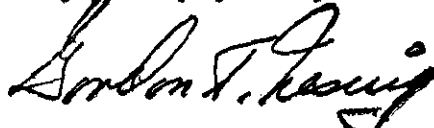

At the meeting held on April 15, 1959, the County Boundary Commission reviewed the boundary description and map submitted by you, with your letter of April 7, 1959, of the proposed annexation of territory to the City of La Verne.

The boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment, except for one course where an arbitrary cut was made with the consent of the owner of the land.

Upon recommendation of the County Engineer revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,
